To Whom It May Concern

I have had a number of opportunities over the past 12 months to speak to local Men's Sheds, Probus clubs and Bowls clubs in the Brisbane and Gold Coast regions.

My topics generally revolve around Aged Care along the lines of the following –

- **What are the accommodation options for older Australians?**
- **Can I stay at home?**
- **What Government Support is available?**
- **How do I fund my entry into a Residential Aged Care Facility (Nursing Home)**
- **The Dos and Don'ts of Granny Flat Rights**
- **Retirement Village living**
- **A combination of the above**

In the latter part of last year I presented to a number of Men's Shed namely **Kenmore, Jindalee and Arana Hills Men's sheds** in the Brisbane region.

My presentations are purely educational, no cost and no products offered.

Should you see any benefit in a presentation of this nature to your members, please feel free to call me. While my office is in Toowong in Brisbane, we service a number of clients in Ipswich and the Western suburbs.

Have attached my personal profile flyer for your information.

Look forward to meeting you and your members in the future, if appropriate.

Kind regards

Paul Geisel Dip. FP CFP (C.dec)

Aged Care Specialist

Please find attached the flyer and running sheet for the men's expo.

As per the flyer could you please let Samantha know the number of members who are attending (either to man the table or participate in the day) so we can ensure we have enough Sausages for the Bar-B-Que.

Ipswich Little Theatre Society Inc

From the President If you haven't been to the theatre for a while there is going to be a big change soon, and we are all very excited about it. ILT are raising the roof of the courtyard. Literally! This is the biggest construction in ILT history, since changing the incinerator into a theatre. Contracts have been signed, a deposit has been paid and construction will start after "Lipstick Dreams" is finished. So your support is crucial at this time. This is your theatre and we need your help in a financial way. There is a donation box for any coinage that you would love to get rid of, if you could buy a few more tickets in our raffles, or bring an extra friend to one of our shows, all proceeds will go to paying off the roof that we will all enjoy. If anyone is free on the Sunday 20th March from 9am onwards, we would love your help at our Working Bee to get the site ready for this construction. There is so much happening in our theatre so why not be a part of it?

See you at the theatre,
President David
