**NEWSLETTER 1/26**

**Welcome to 2026 at the Ipswich Men's Shed**

**As we step into a new year together, my hope for 2026 is simple:**

**to focus on men's health, strengthen our mateship, and build a Shed where every member feels heard, valued, and included.**

**Over the past months, we've listened carefully to what members want for the future of our Shed. With that in mind, we've updated our By-Laws to support a safer, more organised, and more enjoyable environment for everyone.**

**✂ What we ask of all members**

- **Please take the time to read the updated By-Laws.**
- **Understand that their purpose is to help us have a successful, respectful, and safe year.**
- **If you have questions or suggestions, you're always welcome to raise them with the committee.**

**🤝 Moving forward together**

**This year is about looking after ourselves and each other — through good conversation, shared skills, and a Shed culture built on respect and inclusion. When we work together, we make the Shed stronger for every bloke who walks through the door.**

**Here's to a positive, healthy, and productive 2026 at Ipswich Men's Shed.**
